The Rutland Region
"VERMONT'S VACATION CROSSROADS"
at the Junction of Routes 4 and 7

RECREATIONAL - The Rutland Region is the center of THREE great ski areas; Killington, Pico Peak and Okemo.

RETAIL TRADE - The Rutland Retail Trade Community is made of more than 500 outlets. The trading area has a population of approximately 150,000 persons, all within easy driving distance of Rutland. The Rutland Shopping Plaza, with parking for 1,400 cars including the new parking garage facility, adds to the many stores, businesses, restaurants and recreation in the heart of the downtown area. The Rutland Region is noted for its fine restaurants. A new Shopping Mall, completely enclosed and climatized, the first in the state, is located on Route 4, one mile east of the city with a full range of large and small stores, restaurants, banking facilities, and a twin cinema.

INDUSTRIAL DEVELOPMENT - The Rutland Region Chamber of Commerce, and its affiliate, Rutland Industrial Development Corporation is actively engaged in the promotion of economic development of the area. Rutland believes wholeheartedly that the most effective program is one that involves sustained coordination of effort and cooperation of the numerous agencies and individuals, who are all working towards one major objective of economic and industrial development, balanced by environmental preservation. The Chamber urges a personal visit to Rutland by those planning investments, location of distribution or manufacturing plants. Arrangements can be made for inspection of sites and properties which include a 10,000 square foot shell building plus three industrial parks. More than seventy industries of a diversified nature are located in the Region.

"The Marble City"

The photo on the cover gives some idea of how attractive the Greater Rutland area (generally known as the Rutland Region) is for homes, businesses and industries to locate and expand. For a healthful and attractive location it is doubtful if any section can offer more than the Rutland Region. Two major highways connect the region with other states as well as air service to major cities in the East.

The distance across the valley in Rutland is some 20 miles. Nearby in all directions lie areas for all types of summer and winter recreation. The tourist industry has become a substantial one for the region. Major industrial and retail markets are in this section of the country where a spirit of welcome always prevails.

LOCATION - Rutland, known as "The Marble City" is located midway of the State north and south. It is about 15 miles from the western boundary and has many of the characteristics of the great neighboring State of New York. Distances as follows to important eastern points: New York City 250 miles, Boston 167, Montreal 158, Philadelphia 325, Baltimore 420, Burlington 68, Montpelier 66, Bellows Falls 51, Glens Falls 50, Bennington 57, St. Johnsbury 106, Brattleboro 77, Schenectady 92, Buffalo 359, Chicago 909, Albany 98.

TOPOGRAPHY - Probably no important city in New England has so grand a setting as Rutland. The city lies among picturesque lakes and streams, the encircling mountains are near, yet far enough away to give plenty of building room, and the broad valley running north and south for many miles is one of the beauty spots of America. Noted mountain peaks of the Green Mountain and Taconic ranges can be seen from high parts of the city. The highest peak visible is Mt. Killington, over 4235 feet. City is 540 feet above sea level and contains 4300 acres. Rutland County contains an area of 594,596 acres (939 square miles), water area of 46,725 acres. Rutland Airport 780 feet above sea level.

HISTORICAL - The history of Rutland vies with any city in the land of interest. It was settled in 1761, and by 1774 there were 35 families. In common with all frontier settlements it suffered from the depredations of the Indians, and also the Colonial and Indian Wars. Probably named after Rutland Massachusetts, because the first grantee of the charter of township was a John Murray from that town. Incorporated a city in 1892.

RECREATIONAL - Rutland is happily situated for the health and pleasure of its citizens and visitors in their leisure hours, and Rutland is in the midst of an outdoor country of great appeal. It is located in a broad valley, and looking east is the incomparably beautiful Green Mountain range, with its Killington, Shrewsbury and Pico Peaks forming a most fascinating skyline. To the west are more unusually beautiful mountains, Birdseye Mountain and the northern end of the Taconic Range.

It is probable that no place exists in the northeastern United States with more natural advantages for outdoor sports and recreation. In summer the atmosphere is buoyant and healthful and lends to physical activities, whether on the golf course, tennis courts, lakes, swimming pools or parks. There are 6 state forests, 6 state parks, and more than 56,000 acres of National Forest land. Mountain climbing is within a few miles of the city, with Mt. Killington a notable mountain climbing adventure. For lesser climbs there are Shrewsbury, over 3,700 ft. and Pico nearly 4,000 ft. The proximity of the "Long Trail" (the length of

Why DID...

IBM, Hewlett-Packard, Wang, Canon, Dictaphone and Steelcase select McAuliffe as their exclusive authorized dealer?

IT COULD be because McAuliffe serves Vermont (and parts of New Hampshire and New York) with their own highly trained sales force of over fifty people.

IT COULD be because McAuliffe operates from office products stores in the area's key business centers—Rutland, Burlington, and Keene, New Hampshire, with more coming soon.

IT COULD be because McAuliffe sells more office products and office supplies than all other dealers combined.

IT COULD be because of McAuliffe's 48 factory trained, radio dispatched service department backing the equipment McAuliffe sells.

IT COULD be because thousands of Vermont businesses keep buying their office products and supplies from McAuliffe year after year.

Call McAuliffe at **1-(800)-642-5131** to have one of our sales specialists help you.

We may sell products from big companies but we specialize in small businesses.

JOHN R SUKER, OWNER

My town is the place where my home is founded; where my business is situated; where my vote is cast; where my children are educated; where my neighbors dwell, and where my life is chiefly lived. My town has a right to my civic loyalty. It supports me and I must support it. My own town wants my citizenship, not my partisanship; friendship, not offishness; cooperation, not dissention; sympathy, not criticism; intelligent support, not indifference. My town supplies me with law and order, trade, friends, education, recreation, morals, and the rights of a freeborn American. Therefore, I should believe in my town and work for it.

TO FIND A NAME YOU MUST KNOW HOW TO SPELL IT

There are many ways of spelling some names with practically the same pronunciation

When the name of a corporation, factory or firm appears immediately after the name, it indicates the place of business. After the name of a street, the word "Street" is omitted.

The post office address is given only when the same does not correspond with the name of the town.

Information received too late to be included will be found on the last page of the alphabetical section.

When "res inq (residence inquire)" appears in a personal listing, it indicates -- for home address inquire at business address as listed, due to personal request or incomplete information.

Ⓗ Indicates Homeowner. (L) or (R) in parentheses after address indicates left or right side of street.

For full list of standard and local abbreviations see preceding pages.

HOUSEHOLDER, TELEPHONE & PROPERTY OWNER LIST

Copyright 1984, by H. A. Manning Co.

CONTAINING A FULL LIST OF STREETS AND ROADS WITH DESCRIPTION OF LOCATION, INTERSECTING STREETS AND THE DWELLING AND BUSINESS LOCATED THEREON.

Residences and places of business are designated by their street numbers numerically arranged. Where the houses are not numbered, the householders are arranged in the order that they appear on the street. (mh) before the name indicates mobile home. Figures or letters in parentheses preceding names indicate number of room or floor in building. (L) or (R) in parentheses preceding names indicate houses on left or right side of the street.

The phone numbers listed after the occupant's name are those given to our enumerators as applying to the address. We advise users to verify the phone number by referring to regular and recent edition of the phone book as issued by the telephone company.

The publishers cannot assume any responsibility if unlisted phone numbers are given us at the phone address and listed herein. The symbol Ⓗ indicates that information as been secured that the house is owned by some member of the family. The publishers cannot and do not guarantee the correctness of the information furnished, nor the complete absence of mistakes. No responsibility for errors can be or is assumed, nor can the publishers furnish further information than that shown.

Numbers in parentheses following street description are for Publishers use only.

"No Report" indicates that enumerator was unable to get complete information at the address by personal call, telephone or mail. After the name of the street the word "street" is omitted.

MANNING'S 1984 WEST RUTLAND NUMERICAL STREET DIRECTORY

HOUSEHOLDER, TELEPHONE & PROPERTY OWNER LIST

Copyright 1984, by H. A. Manning Co.

CONTAINING A FULL LIST OF STREETS AND ROADS WITH DESCRIPTION OF LOCATION, INTERSECTING STREETS AND THE DWELLING AND BUSINESS LOCATED THEREON.

Residences and places of business are designated by their street numbers numerically arranged. Where the houses are not numbered, the householders are arranged in the order that they appear on the street. (mh) before the name indicates mobile home. Figures or letters in parentheses preceding names indicate number of room or floor in building. (L) or (R) in parentheses preceding names indicate houses on left or right side of the street.

The phone numbers listed after the occupant's name are those given to our enumerators as applying to the address. We advise users to verify the phone number by referring to regular and recent edition of the phone book as issued by the telephone company.

The publishers cannot assume any responsibility if unlisted phone numbers are given us at the phone address and listed herein. The symbol (H) indicates that information as been secured that the house is owned by some member of the family. The publishers cannot and do not guarantee the correctness of the information furnished, nor the complete absence of mistakes. No responsibility for errors can be or is assumed, nor can the publishers furnish further information than that shown.

Numbers in parentheses following street description are for Publishers use only.

"No Report" indicates that enumerator was unable to get complete information at the address by personal call, telephone or mail. After the name of the street the word "street" is omitted.
